

Omega Omicron Chapter

## 2023 Spring Summit (Virtual)

### Advancing Nurse Leaders

Presented by the Omega Omicron Chapter of Sigma Theta Tau International

**March 28, 2023**

**8am-1pm CT**

This practice/research conference is a forum for nurses, nursing students, and nursing faculty to share experiences and projects aimed at advancing rural nursing practice.

**Target Audience:** This conference is designed for nurses and nursing students interested in innovative topics to advance nursing practice (LPNs, RNs, and nursing students).

**Contact Hours:** 4 peer-reviewed contact hours

**Upon completion of the program, participants will:**

- Discuss how social and emotional intelligence can encourage and promote individual and organizational health.
- Describe the concept of cultural humility and the relevance to online nursing education.
- Discuss the role of nurse leaders in supporting others to help prevent and respond to workplace violence.
- Explore ways to foster nurses and advance nursing leadership through shared governance and principles of accountability.
