Preface: Purpose of Policy and Procedure Manual

Purpose: The purpose of having a Policy and Procedure Manual is to serve as a resource for leaders to maintain consistent practices. A Policy and Procedure Manual also serves as a record of history for standard operating procedures from one biennium to the next. Organizational framework for leadership and Chapter activities are also included and described.

The Policy and Procedure Manual is copied and pasted into a new word document by the incoming President and the dates are changed to the President's term. This keeps the Preceding Policy and Procedure Manual intact for historical reference.

The Policy and Procedure Manual is a working document and will be developed as the Chapter grows and develops.

- **Policy**
A policy is a clear statement interpreting a bylaw and how that bylaw will be upheld
- **Procedure**
A procedure is a detailed description of the process(es) used to support the policy

2. History of the Southwest Minnesota Nursing Honor Society

The Birth of the Society

Planning for the Southwest Minnesota Nursing Honor Society began in the fall of 2015. There are many details and logistics to starting an Honor Society!

Nancyruth Leibold and Laurie Jo Johansen began planning for the dream of having a Nursing Honor Society in Southwest Minnesota!

We received support from the Southwest Minnesota State University Administration to proceed with the Nursing Honor Society.

Nancyruth Leibold met with Sigma Theta Tau International to discuss how to proceed in the steps of becoming a STTI Chapter.

The Steering Committee

The Steering Committee met regularly during February to April of 2016.

The Steering Committee consisted of Laurie Jo Johansen and Nancyruth Leibold. Administrative Assistance was provided by LeeAnn Teig. Support from Southwest Minnesota State University Administration was obtained.

The Steering Committee drafted many documents for the Society, such as

- The Chapter Bylaws
- Society Name
- The Mission and Values Statements
- The Charter Board of Directors
- Society Goal Setting and much more!

Charter Board of Directors

In May 2016, the Charter Board of Directors was compiled and met for the first time.

The Charter Board of Directors met for the first time in May of 2016. We started with the required positions filled and expanded our leadership team as time went on.

We choose a logo:

In September of 2016, Nancyruth Leibold wrote a grant that was funded by the Southwest Minnesota State University Foundation for the start-up expenses.

We are grateful for the grant funding to start our Society!

Membership

In the Fall of 2016 and Spring of 2017, we did Membership Drives and had new members join our Society.

Student members are invited to join based on their academic achievements in our baccalaureate program. Per the Bylaws, we invite the top 35% of students based on GPAs in students who have completed at least half of the nursing curriculum.

Nurse leaders are welcome to join based on three criteria: being legally recognized to practice in their country of residence, having a minimum of a baccalaureate degree in any field, and having demonstrated achievement in nursing.

Our Charter Induction was held on November 3, 2016 in the Whipple Art Gallery on SMSU Campus.

Our second Induction was held on March 28, 2017 in the Whipple Art Gallery on SMSU Campus.

11. Annual Meeting Policy and Procedure

Policy: The Annual Membership Meeting is held once per year. **May be held in conjunction with other event or via webinar.** Since our members are spread out over a large rural area, it is best to hold both on the same day back to back to capture members at the same locale for two meetings.

Procedure:

1. The President runs the meeting.
2. The President is responsible for the agenda.
3. The Secretary is responsible for taking minutes (or a designee).
4. All members are invited to attend.
5. There is no charge to attend the Annual Membership Meeting.
6. Each officer and leader should report as necessary.
7. Members should have input and provide comments or ideas as desired.

12. Financial Policy and Procedure

The Omega Omicron Chapter has a budget template used to approve and plan for expenses each year. The budget is presented at the first Board of Directors Meeting by the Treasurer but at the Board of Directors Meeting, changes and additions can be made with board approval.

No member of the Chapter is to ever spend money that will be requested to be reimbursed without previous Board of Director approval. All expenses must be approved by the Board of Directors before the money is promised or spent.

The Chapter has an account that is tax exempt through the State of Minnesota via Southwest Minnesota State University. LeeAnn Teig is our administrative assistant that coordinates our financial records. All income/expenses must follow the SMSU policy and procedures. LeeAnn Teig is our expert on the SMSU policies we must follow. **All bills should be paid from this account until depleted and then close account.**

13. Finance and Budget Policy and Procedure

Policy

The Omega Omicron Chapter has a budget template used to approve and plan for expenses each year. The budget is presented at the first Board of Directors Meeting by the Treasurer but at the Board of Directors Meeting, changes and additions can be made with board approval.

No member of the Chapter is to ever spend money that will be requested to be reimbursed without previous Board of Director approval. All expenses must be approved by the Board of Directors before the money is promised or spent.

LeeAnn Teig is our administrative assistant that coordinates our financial records. All income/expenses must follow the SMSU policy and procedures. LeeAnn Teig is our expert on the SMSU policies we must follow. Once we spend the monies in the SMSU account, the account will cease and Omega Omicron will use the Wells Fargo account for all business.

Finance and Budget Evaluation Policy:

At the end of academic year Board of Directors meeting, the treasurer will submit the current standings of our financial account(s). The treasurer leads an evaluative discussion of the budget for the year. Did we stay on budget? Do we need to consider special items for the next year?

Procedure for completing the financial section of the Chapter Annual Report (once approved and chartered as a chapter): The chapter is responsible for fundraising to support a minimum reimbursement of \$1000.00 per person for 2 delegates to attend the Delegate Assembly every two years. Should funds be available, the delegates will be reimbursed up to \$2000.00 each. This is to be presented and approved with the amounts determined with the budget voting process at the first Board of Director meeting each year (academic year).

Procedure

The Treasurer submits a proposed budget at the first Board of Directors Meeting. The Budget template is used for this presentation. The budget is discussed, any changes and additions can be made but must be voted on at first Board of Director Meeting.

Audit Procedure

The Omega Omicron financial account at SMSU is audited as part of the State of Minnesota audit process at SMSU. We follow all SMSU/State of Minnesota finance

policies and have tax exempt status. Once this account is depleted, this account will cease.

Omega Omicron currently has an account at Wells Fargo Bank in Marshall, MN. The treasurer updates must occur with the change of treasurers. The Wells Fargo account is audited by Chapter Officers as per follows:

An internal review by three board members: President and Vice President, in collaboration with the treasurer, is completed every year in June prior to the end of any officer terms. The review is documented in a note with date, names of officers, account balances and how the officers verified the account balances. The documented review is presented to the Board of Directors at the first meeting in the following year (usually August or September). Should there be a discrepancy in the balances be more than \$5.00 the entire Board of Directors should be notified immediately (within 24 hours) upon completing the review.

Procedure for completing the financial section of the Chapter Annual Report:

The Treasurer will complete the financial section of the Chapter Annual Report in collaboration with the President at the Chapter Sigma website. The Treasurer's report should first be presented to the Board of Directors prior to placing in the financial section of the Chapter Annual Report. The President will review the treasurer's report prior to submitting the Chapter Annual Report.

Membership Application

Contact the current counselor for a request of membership. The counselor is responsible for setting up the online invitation to nursing students and nurse leaders.

Renewal Process

After induction, members must pay annual membership fees to be considered active and to receive member benefits from the honor society. If the honor society is approved to become a chapter, members are invited to become chartering members of the new chapter and STTI. STTI members must pay annual membership fees to receive STTI member benefits.

*Note that developing honor societies must collect dues (induction fees and renewal fees) from their members until approval. If approved as an official chapter, STTI will collect all dues from members. Chapter dues will be sent to the chapter in the form of a chapter check. The chapter dues are returned to the chapter in regularly scheduled chapter disbursements. This will be explained during transitional trainings.

Definition of Active Members: **Active members** pay annual membership dues and are entitled to all benefits of being an active member.

Definition of Inactive Members: **Inactive members** have not paid annual membership dues and are not entitled to the benefits of being a member, such as conference rate reductions, or awards. Inactive Members are not able to serve on committees or the board of directors.

How Developing Honor Societies Conduct a Renewal Cycle

- Members have a variety of membership due dates as noted on the Membership Roster.
- The Membership Committee is responsible for sending out emails approximately 3 months before membership renewal is due. The first renewal is sent three months prior to renewal date. If the membership is not renewed, the second renewal notice is sent out two months before membership renewal is due. If the membership is not renewed, the third renewal notice is sent out one month before the membership renewal is due.
- The email letter is accompanied by a membership renewal form.
- When members do not renew, a second email letter is sent to the member.
- Many groups have found it beneficial to promote the benefits of membership and upcoming events in their letter.
- Developing honor societies shall update and maintain their membership roster by tracking their active and inactive members as they receive membership renewal forms and payments.
- The Membership Committee is responsible for updating the membership roster member dates at least monthly.
- Repeat this cycle each year until the honor society is approved to become a chapter.

How Much Should the Renewal Fee Be?

The renewal and induction fees are usually the honor society's/chapter's main source of income. The board of directors of the developing honor society shall determine the renewal and induction fees based on the group's annual expenses and budget needs. The Southwest Minnesota Nursing Honor Society Annual renewal fee is \$50. Once the Society is a STTI Chapter, the Board of Directors will set a new annual rate (usually \$25 to \$35 per year).

22. Induction Planning
